1. Hypertension-Masterclass 2025 – Online - Starting March 20th 2025

Dear friends and colleagues,

The Swiss Society of Hypertension (SSH) is happy to announce the launch of the Hypertension Masterclass in 2025!

The Hypertension Masterclass is an interdisciplinary curriculum covering topics related to arterial hypertension from different specialties, including internal medicine, cardiology, nephrology, geriatrics and neurology: from epidemiology to risk stratification, from non-pharmacological to pharmacological treatment, from pregnancy to stroke: these and other topics will be covered and presented from respective specialists within Switzerland.

The masterclass is open for interested colleagues, from hospitals or private praxis; both junior as well as senior physicians interested in hypertension are welcome to participate.

The 1. Masterclass will take place on six dates over the year 2025 (Thursday afternoon) covering the various topics and will be held online to facilitate participation all over Switzerland. The Masterclass is planned as an annual curriculum (2. Masterclass planned for 2026).

Are you interested? Then register now under:
info@swisshypertension.ch

Start-Date: March 20th 2025, 3-6 p.m.

Overall costs for the Masterclass:

150 CHF for members of the SSH

300 CHF for non-members of the SSH

Of course, non-members are very welcome to become members of the society!

Credits (incl. SGAIM) applied for. Masterclass Certification by the society for the Curriculum.
